

To undertake the studies for increasing the employability for water by engagement of people from Uttarakhand in different water sectors

Under the Virtual Centre of Excellence known as “Water for Welfare: An Uttarakhand Initiative” proposals are invited to undertake the studies for increasing the employability for water by engagement of people from Uttarakhand in different water sectors like improvement in water quality, water conservation, rural and sanitation, rural drinking water supply, impacts of toilets, impact of water mills and rejuvenation of springs etc.

The proposal covering the objectives, methodology, study area, time line (up to a maximum 9 months), budget details (manpower, travel, contingent), expected outcomes and possible users are invited latest by July 31, 2017. A financial support of Rs. 2.0 to 4.0 lakhs may be available from the virtual centre for conducting such study to a maximum of 8 selected proposals. The proposal may be sent by email and a print copy by post.

Proposals may be sent to Prof Arun Kumar, Alternate Hydro Energy Centre, Indian Institute of Technology Roorkee, Roorkee - 247 667, Uttarakhand Tel: 01332-285821; Fax : 01332-273517, 273560 E-mail : aheciitr.ak@gmail.com, akumafah@iitr.ac.in.
